

Freeman Spogli is a long-tenured private equity firm dedicated to investing with management in middle market companies in the consumer and distribution sectors.

Our firm was founded by Bradford M. Freeman and Ambassador Ronald P. Spogli in 1983 with the goal of investing capital in partnership with management teams to help build growth-oriented companies. Mr. Freeman and Ambassador Spogli were among the pioneers in the private equity business and raised the firm's first institutional equity fund in 1986. Over the four decades that we have been in business, our firm has grown to 27 investment professionals in two offices and has invested over \$6 billion of private equity capital in 71 companies and 250+ add-on acquisitions with an aggregate transaction value of \$32 billion as of April 2025.

Experience, Focus and Continuity

Our team is experienced in investing in middle market consumer and distribution businesses. Our focus on companies in these two broad sectors of the U.S. economy differentiates our firm from others. Moreover, our team's continuity and length of tenure are differentiated in the private equity industry. The partners of Freeman Spogli have been with the firm for an average of 23 years and have successfully executed and managed investments through various economic and market cycles since the firm's founding.

Our Capital Base

Since our founding in 1983, we have managed 11 investment partnerships including 10 institutional funds. Our investors include large public and private pension funds, insurance companies, endowments, foundations, corporations, family offices, and individuals. In total, we have raised over \$9 billion of equity capital as of April 2025.
