

Dedicated to investing in partnership with exceptional founders and management teams of growth-oriented consumer and distribution companies to help build enduring businesses.

OUR FIRM

We are management-friendly investors with deep sector specialization, focused exclusively on middle market consumer and distribution companies. Over the past four decades, our firm has invested over \$6 billion of equity capital in 320+ investments with an aggregate transaction value of \$32 billion. Since 1983, our team has grown to 27 investment professionals across our two offices. Our shared values have contributed to the long tenure of our team with the partners of Freeman Spogli averaging 24 years at the firm.

OTHER PORTFOLIO COMPANIES W/ PURE ORGANIC GROWTH FOCUS

Select Thematic Focus Areas (Non-Exhaustive)

Consumer Healthcare Services

- Focused on consumer-centric verticals with low medical complexity
- Interested in differentiated assets with multiple growth levers
- Prioritizing opportunities in consumer wellness and longevity, women’s health, outpatient mental health, and autism treatment

Beauty and Wellness

- Evaluating opportunities across beauty services, skincare, haircare, color cosmetics, fragrance, other personal care products, and vitamins, minerals and supplements
- Pursuing profitable prestige or mass brands with efficacious products or services
- Targeting investments across attractive growth verticals including aesthetic injectables, sun care, men's grooming, women's health and body care

Automotive Aftermarket

- Focused on services (tire and repair, fleet, general shop, collision repair) and value-added distribution
- Targeting market leaders with clear differentiation, multiple growth levers and strong management teams
- Prefer businesses with compelling organic and inorganic growth opportunities, with proven history of both

Residential Services

- Numerous sectors of interest, including but not limited to HVAC, plumbing, roofing, landscaping, pest, restoration and lawn care
- Targeting high-quality assets with strong organic growth, integrated tech stacks and proven management
- Focused on non-deferrable, high-skill services in fragmented, growing categories

Youth Enrichment and Youth Sports

- Targeting businesses that provide academic, social and physical enrichment programs and services from early childhood through high school
- Broad sports interest ranging from early childhood development teams to college prep leagues, equipment and uniforms, facilities and venues

Aging Population

- Evaluating businesses that provide in-home care, home remodeling, health, mobility, asset transfer and experiential products and services to the aging population and end-of-life services (funeral home operators)
- Seeking platforms with tenured management teams with proven operational expertise
- Supportive of franchisors and corporate models

Pet

- Focus on services and products relating to pets
- Priority segments include pet services (daycare, boarding, grooming, etc.), pet supplements and treats, and veterinary services
- Seeking leading franchise or corporate platforms with strong management teams and existing infrastructure in place to support growth

IMPORTANT DISCLOSURES

* This award is the opinion of the party conferring the award and not of Freeman Spogli. Freeman Spogli submitted a nomination and paid a submission fee. There can be no assurance that other providers or surveys would reach the same conclusion as Inc.

This information is not a solicitation of an offer to buy securities and is intended to be illustrative and not an indication of current or future performance of the Firm's portfolio investments. Investors should review fund quarterly reports, financial statements, and other disclosures regarding the valuations and performance of the specific investments discussed herein. Any forward-looking statements are inherently uncertain and subject to change. Investments of the type that the firm makes carry risk of loss, including loss of the entire investment. The select investments referenced herein do not represent a full list of the Freeman Spogli investments.
